AUDIT OFFICE, OTTAWA, November 25 1911.

Re **Binder Twine industry.**

SIR,—I am in receipt of statements of binder twine industry for six months to September, 30th.

According to these statements the sales amount to $20,962.35. So far only $7,816.70 has come to account.

The amount entered in these statements as received in cash each month is somewhat greater, in most cases, than the amount of deposits that have come to account. The amounts in each case are as follows:—

	Per Statement.	Deposit.
May	$ 71 80	$ 63 30
June	1,036 12	1,036 12
July	4,728 96	4,673 66
August	1,934 52	1,915 87
September	142 75	127 75
	$ 7,914 15	$ 7,816 70

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. FRASER, *A.G.*

DEPT. OF JUSTICE, OTTAWA, November 30, 1911.

SIR,—I have the honour to acknowledge receipt of your letter of 25th instant respecting the sales of binder twine for the six months ending September 30, 1911, and in reply I enclose herewith copy of a statement from the Warden of the Kingston Penitentiary explaining the discrepancies referred to in your letter.

I have the honour to be, sir, your obedient servant,

The Auditor General. FRANCIS H. GISBORNE, *A.D.M.J.*

Enclosure.

KINGSTON PENITENTIARY, KINGSTON, ONT., November 29, 1911.

Re **Binder Twine Statement.**

DEAR SIRS,—Referring to yours of yesterday with enclosures from Auditor General's office, the excess of sales over the cash accounted for and deposited is explained by the fact that, under the Minister's directions a large quantity of twine was sold on credit notes being taken bearing 7% interest and due November 15, 1911, so that over $12,000 was outstanding when statement was made.

The discrepancies between cash received and cash deposited is, I find, explained in this wise: The twine and rope supplied to the Penitentiary and charged against various departments has been accounted as paid for and the amount added to cash received though really no cash changes hands in such transactions, and, of course, none could be deposited. I have gone through the books and find the amounts tabulated by the Auditor explained this way.

Our accountant, Mr. Hughes, who has charge of binder twine books and accounts, is now absent making collections and settlements for twine and I will, on his return, draw his attention to the Auditor General's enquiry and have him make necessary corrections and explanations. I have taken the liberty to copy the Auditor's letter for reference to Mr. Hughes, and I return the original herewith.

Yours sincerely,

J. M. PLATT, *Warden.*

Inspectors of Penitentiaries, Ottawa.

DEPARTMENT OF JUSTICE, OTTAWA, January 5, 1912.

SIR,—We return herewith statements of the binder twine industry from April to September, both inclusive, duly corrected.

The error arose from inadvertently including the items delivered to the Kingston penitentiary as cash when copying the statements from the shipping book.

With reference to the difference between the value of twine sold and the cash received, a statement will be furnished later with reference to this.

We are, sir, your obedient servants,

DOUGLAS STEWART,
G. W. DAWSON, } *Inspectors.*

The Auditor General.

AUDIT OFFICE, OTTAWA, July 17, 1912.

SIR,—According to your return for March last covering binder twine, there was $5,950.34 outstanding for twine shipped during the summer of 1911.

The Inspectors in their letter of January 5 last promised that a statement would be furnished with reference to the difference between twine sold and cash received, but no such information has reached me.

Your early attention will oblige.

I am, sir, your obedient servant,

The Deputy Minister of Justice. JOHN GORMAN, *for Auditor General*

AUDIT OFFICE, OTTAWA, February 22, 1912.

***Re* Wharfs and Piers, not transferred to Department of Marine and Fisheries.**

SIR,—I inclose copy of a letter I am sending to the Honourable Minister of Public Works, in reference to the large number of wharfs built by his department and not transferred to Department of Marine and Fisheries, and on which no fees are collected.

I am, sir, your obedient servant,

Honourable J. D. HAZEN,
Minister of Marine and Fisheries, Ottawa.

J. FRASER, *A.G.*

NOTE.—See correspondence page, V—434.

MARINE AND FISHERIES DEPT., OTTAWA, February 26, 1912.

SIR,—I am to acknowledge the receipt of your letter of the 22nd instant, addressed to the Honourable the Minister of Marine and Fisheries, inclosing a copy of a letter addressed by you to the Honourable the Minister of Public Works, respecting wharfs built by that department which have not been transferred to the Department of Marine and Fisheries.

I have the honour to be, sir, your obedient servant,

The Auditor General.

A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, April 18, 1911.

***Re* Wharfs and Piers: Ontario.**

SIR,—During the past fiscal year neither returns nor cash receipts have come to account from the following wharfs and piers: Barry's Bay, Echo Bay, Goderich,

Hilton, Morpeth, North Bay, Port Finley, Port Rowan, Providence Bay, Southampton and Summerstown.

Revenue came to account from four of these wharfs for the previous fiscal year as follows: Echo Bay, $8.33; Goderich, $700; Hilton, $233.02, and North Bay, $27.50.

The last revenue reported from Barry's Bay was $183.99 for the fiscal year ended March 31, 1908. Although your attention has been drawn to this wharf from year to year no returns have since been received.

Port Finley is another wharf which has been the subject of previous correspondence, and according to your letter of February 7, 1908, the wharfinger was in arrears for 1902 and 1904. The last revenue to come to account was $95.53, received during 1907-08.

The revenue from Providence Bay dropped from $122.06 in 1907-08 to $16.50 in 1908-09, which was the last to come to account.

The last receipts to reach this office from Port Rowan came to account in 1897-98, and amounted to $3.32.

The collections from Southampton in 1907-8 amounted to $271.29; in 1908-9 only $147.73 came to account; during the last two years neither returns nor receipts have been reported.

In 1907-8 the receipts from Summerstown amounted to $13, but nothing has since come to hand.

I shall be glad to know if these wharfs have been used, and if so, why collections have not been reported.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, January 20, 1912.

Re **Wharfs and Piers.**

SIR,—I have to call your attention to the delay in forwarding the deposit receipts and returns in connection with Wharfs and Piers revenue. During the present fiscal year cash receipts reached this office as follows:—

June 30, 1911	$ 3,327 39
November 3, 1911	5,120 82
December 19, 1911	4,828 60
	$13,276 81

You will see that three months of the fiscal year passed before any collections were reported, that after a further interval of four months, the second amount was received, while the third came to account a month later.

It would greatly facilitate the work of this office and be in accordance with the treasury regulations, if the monthly collections and returns from the different wharfs were forwarded as soon as possible after the close of each month.

When the accumulated receipts of a number of months are forwarded, they are not only bulky and difficult to file, but it gives additional work when it becomes necessary to refer to some special receipt, and so many have to be gone over to find it.

No collections from Nova Scotia wharfs reached this office until December 19 last.

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, February 28, 1912.

Re **Sault Ste. Marie Wharf.**

SIR,—During the present fiscal year neither returns nor cash receipts have, so far, come to account from Sault Ste. Marie wharf.

The gross collections reported for the previous year amounted to $2,724.18, from which the following payments were made for services rendered:—

Allard, A., services 6 months, April to September.. ..	$ 385 00
Boyd, E. M., services 6 months, April to September.. ..	212 50
Boyd, G. A. (wharfinger), services 6 months, April to September..	600 00
Boyd, J. E., services 6 months, April to September.. ..	222 50
Kennedy, D., services 6 months, April to September..	308 86
	$1,728 86

The balance, $995.32, was duly deposited and came to account, as will be seen in my report of 1910-11, page N—170.

As the receipts from this wharf are quite large, you will appreciate the necessity of taking prompt action to bring to account the collections made during the present year.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, March 1, 1912.

SIR,—I have your letter of the 28th ultimo, respecting the collections from the wharf at Sault Ste. Marie, Ont., and I am to inform you that steps have already been taken to procure the necessary receipts and returns.

I have the honour to be, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, August 30, 1912.

SIR,—I wrote you February 28 last, up to which time no returns nor deposits had come to account from Sault Ste. Marie wharf for the season of 1911.

Your Revenue Statement No. 1 received June 21, contained deposit receipt for $394.45, dated June 4, 1912, in settlement of balance of wharfage collected April, May and June, 1911; and deposit receipt for $330.79, dated May 25, 1912, in settlement of balance of wharfage collected, October, November and December, 1910.

No deposit nor returns for July, August and September, 1911, have come to account, and nothing for the current year.

I do not understand how you allow this wharfinger to withold the funds of the government so long, apart from the possibility of an ultimate loss.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, October 31, 1912.

SIR,—I have had no reply to my letter of August 30 last, in reference to the Sault Ste. Marie wharf.

During the fiscal year, 1909-10, only six months' revenue came to account instead of nine months.

During the fiscal year 1910-11, no revenue came to account.

The revenue of October, November and December, 1910, amounting to $330.79 was not deposited till May 25, 1912.

The revenue of April, May and June, 1911, amounting to $394.45, was not deposited till June 4, 1912.

The revenue of July, August, September, October, November and December, 1911, amounting to $821.95, was not deposited till September 10, 1912.

None of the revenue of the current season has yet been deposited.

Evidently the wharfinger used the revenue of the current season to pay up the revenue of the previous season. He should be required to deposit the revenue collected during present season at once, subject to his removal.

The receipts in April, 1911, were $51.70 less than salaries paid, and in December, 1911, $166.02 less.

Unless improvement is made in the accounting for revenue at this wharf I will be forced to report the matter to the Treasury Board.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, March 23, 1912.

Re **Goderich Wharf.**

SIR,—During the fiscal year ended March 31, 1910, $700 came to account from Goderich wharf. Since then neither receipts nor returns have been received.

Your attention was drawn to this fact by letters written the department on April 11 and September 11, of last year, but so far, no reply has been received giving reasons why collections have not been reported.

I shall be glad to know if the wharf has been used during the last two years, and why the wharfinger has failed to send returns during that time.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, April 2, 1912.

SIR,—I have your letter of the 23rd ultimo, respecting the non-receipt of collections from the public wharf at Goderich, Ont.

I may say that the lessees object to the payment of the amount asked, as communication with Section D is cut off by the railway.

The matter is being followed up, and an adjustment will, I hope, soon be made. The wharfinger is being asked to forward returns at once.

I have the honour to be, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, May 9, 1912.

Re **Port Finlay Wharf.**

SIR,—The first revenue to come to account from Finlay wharf reached this office on May 21, 1907. Upon inquiry I found the wharf had been transferred to your department in April, 1902, and that on May 10 following M. M. MacLennan was appointed wharfinger.

On June 10, 1907, I wrote you that the wharfinger was not sending in satisfactory returns and that the collections received were for 1905; on June 19 you replied that an officer of your department would shortly visit the wharf and try and straighten out matters.

On February 4, 1908, I again wrote you that neither cash nor returns were coming to account; you replied on the 7th of that month and said that one of your officials had visited the wharf and found the wharfinger in arrears for 1902-04; that the department had agreed to accept a bill of sale of the warehouse built on the wharf in lieu of these arrears, and that no doubt returns and collections would follow at an early date.

During the following May $95.53 came to account, but notwithstanding that your attention has been drawn to this wharf from year to year neither returns nor cash receipts have since come to account.

Kindly advise me if the wharf is still in charge of Mr. MacLennan, and also what action has been taken to ascertain the business done at the wharf, the collections that were made, or should have been made and if all the collections made have been properly accounted for since the wharf was taken over by your department.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, August 31, 1912.

Re **Wharfs: New Brunswick.**

SIR,—For the year 1910-11, $36.14 came to account from Lameque, nothing for 1911-12. There are also 14 wharfs from which no revenue has come to account for years.

Your agent at St. John informed a clerk from this office that he sent report to your department in April last on these wharfs. Has any action been taken on his report?

According to this agents' books $4,941.68 was collected by wharfinger at St. John West in 1911-12. Only $4,768.43 came to account as per memo. attached. No return nor deposit from this wharf for June, 1911, has come to account, which may account for difference.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, November 6, 1912.

SIR,—With further reference to your letter of August 31 last, and my letter of the 3rd ultimo, respecting the collecions at the wharf at West St. John, N.B., I am to inform you that the total reeceipts at this wharf for 1911-12 were $4,768.43. In the

statement which accompanied your letter you entered the returns for May at $826.58. This amount covers two month's collections, viz.: May, $721.58, and June $105.

The agent at St. John states that the amount forwarded, viz.: $4,768.43, is the correct amount.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *A.D.M.*

AUDIT OFFICE, OTTAWA, August 31, 1912.

Re **Wharfs: Nova Scotia.**

SIR,—I have to call your attention to the following wharfs, from which no fees came to account for 1911-12, the receipts for 1910-11 being as set down.

Bear Point	$ 3 35
Canso	14 16
Delaps Cove	3 81
Harbourville	32 16
Isaac's Harbour	9 84
Morden	6 92
Perkin's Cove	11 08
Port Hood	2 50

The revenue from Port Morien was $550.30 in 1910-11, and only $138.46 in 1911-12.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, September 3, 1912.

Re **Wharfs: Prince Edward Island.**

SIR,—The following statement shows the receipts from certain wharfs in Prince Edward Island for 1910-11 from which no receipts have come to account for 1911-12:—

Aikins	$ 2 08
Belfast	26 17
Brush Wharf	13 73
Clifton	10 78
Higgerty's Wharf	7 20
St. Mary's Bay	17 04
South Rustico	9 60

There are also nine wharfs from which no receipts have been received for years.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, October 11, 1912.

SIR,—With reference to your letter of the 4th ultimo, respecting wharfs in the province of Prince Edward Island from which remittances were received in 1910-11,

but from which no receipts have come to account in 1911-12, I am to inform you that the agent at Charlottetown has been asked to report on these wharfs.

With regard to the nine (9) wharfs from which no receipts have been received for years, I am to inform you that the agent reports on these as follows, viz:—

Campbell's Cove.—No water for vessels over four (4) feet draught. Wharf used only for fishing boats which do not pay dues.

Cardigan River.—This wharf is not used, private wharfs do not charge side wharfage and can accommodate all traffic.

Cranberry Wharf.—No business done at this wharf, consequently no one will accept the position.

McGee's Wharf.—No longer a wharf, has gone to pieces.

Murray Harbour South.—Private wharfs do not charge side wharfage and can accommodate all vessels. Not used.

Pinette.—This wharf cannot be used, in too dangerous a condition.

Souris East.—Is not a wharf, merely a protection breakwater. Vessels could not use it as a wharf.

Nine Mile Creek.—Until last summer a vessel could not get within 300 feet of this wharf. There is no wharfinger at present.

Red Point.—From this wharf $17.83 came to account in 1911-12.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, February 14, 1912.

Re Whaling Licenses.

SIR,—The receipts from whaling licenses during 1910-11, amounted to $19,800, made up as follows:—

Paid at Department.

Canadian Arctic Whaling Company, 2 at $800	$ 1,600
Canadian North Pacific Fisheries, 3 at $1,000, 7 at $1,200	11,400
Canadian Whaling Company	800

Paid to E. G. Taylor, Nanaimo.

Pacific Whaling Company, 3 at $1,200	3,600

Paid to John T. Williams, Vancouver.

Pacific Whaling Company, 2 at $1,200	2,400
	$19,800

So far nothing seems to have come to account this year from this source.

With the exception of the license to Canadian Whaling Company, these licenses were all issued for Pacific Coast.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, March 28, 1912.

SIR,—With reference to your letter of the 14th ultimo respecting the fees on whaling licenses issued during the present fiscal year, I am to inform you that a license was issued to the Canadian Whaling Company for one year from April 11, 1911. The fee on this was sent you in April, 1911, and was credited to the year 1910-11.

Ten licenses for whaling were issued to the Canadian North Pacific Fisheries, Limited, at $1,200, each for one year from December 1, 1911. The fees in payment of these licenses have been received and deposited, and the receipt for the same will be sent to you at the end of the present month.

This accounts for all the whaling licenses issued during the present fiscal year.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, February 16, 1912.

Re **Whaling Licenses.**

SIR,—The receipts for whaling licenses, Atlantic Coast, during last few years, have been as follows:—

1909-10.—Cooney, J.	50
Noble, Crawford, 4 years	200
Whitney, H.	50
1910-11.—Mongo, F. N., 2 years	100

Nothing seems to have come to account so far during present year.

The difference in the amount collected some years over others, an dthe fact that nothing was collected during 1908-9 and 1909-10, in province of Quebec, and nothing in 1908-9, by Captain Bernier, calls for explanation.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, March 5, 1912.

SIR,—I beg to acknowledge your letter of the 16th ultimo, asking for an explanation as to the difference in the amounts collected in fees on whale factory licenses in Quebec in some years over others, and in those collected by Captain Bernier.

With regard to fees on whale factory licenses, the facts are:—

In 1905 the Quebec Steam Whaling Company took out a license for its establishment at Seven Islands, fee $800. The renewal license was taken out in 1906, fee $1,000. In 1907 the company was unable to pay the renewal fee and finally went into liquidation, and this department's claim for outstanding license fees was filed with the liquidator.

In 1906 licenses were issued to Messrs. P. McKenzie and W. D. B. Scott, and in 1907, to the Labrador Company; but factories were not built under these licenses, and they were therefore allowed to lapse. Hence no further fees were collected thereon.

On April 11, 1911, a license was issued to the Canadian Whaling Company, limited, which bought out the plant of the Quebec Steam Whaling Company. This license will doubtless be renewed in the regular way.

From the above you will see that at present there is but one whale factory on the Atlantic Coast.

The fees collected by Captain Bernier are in accordance with sub-section 12 of section 9 of the Fisheries Act, Chapter 45 of the Revised Statutes of Canada, which, you will observe, requires whaling vessels operating in Hudson Bay and northern territorial waters to take out licenses, the fee on which is $50 per annum. The amount collected depends entirely on the number of vessels found hunting whales in such waters. You will notice that in 1907-8 Captain Bernier succeeded in nearly every instance in requiring licenses for that year and the next, which explains no collecitons having been made in 1908-9.

I may add that during his last voyage, Captain Bernier issued certain licenses, and received in payment thereof orders on the owners of the vessels, which the department is now endeavouring to collect.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, February 13, 1912.

Re **Masters and Mates Certificates.**

SIR,—A list of Masters and Mates' Certificates issued by your department for the year ended December 31, 1911, reached this office on the 8th instant.

In checking this list with the returns furnished by the different examiners of candidates for certificates, I find in some cases fees are reported in the list as having

been collected by the examiners in acquittance of which no returns have so far come to hand. The examiners and fees thus reported are as follows:—

Chas. Eddie, fee $15, collected October 2, 1911.
L. A. Demers, 10 fees, $15 each, collected April 20 and 22, 1911.
A. D. Grant, 1 fee, $6, collected May 16, 1911.
Chas. Moller, 13 fees, $15 each, collected February, March and April, 1911.
Chas. Moller, 5 fees, $6 each, collected February, March and April, 1911.

I shall be glad to know if the above fees were collected as reported and if so, when each examiner deposited the money to the credit of the Receiver General.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, February 16, 1912.

SIR,—I have to ask for all outstanding returns covering fees collected from condidates examined by Captain Lindsay for Masters and Mates' Certificates.

The only return so far received during the present fiscal year is one for $12.50, covering two fees collected last September, while the total collcetions, which have come to account, amount to $120.50.

In the absence of these returns, I am unable to determine if the deposits received cover his collections, as recorded in your list of certificates issued.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, March 8, 1912.

SIR,—I beg to acknowledge the receipt of your letters of the 13th and 16th ultimo in connection with fees collected for the certificates issued to Masters and Mates by this department.

In reply I am to inform you that although instructions were issued to examiners to deposit collections to the credit of the Receiver General as soon as received, some did not take the trouble to deposit the money each time and let the amounts accumulate before doing so.

With the exception of fees collected by Captain Moller and not yet accounted for, all fees have been deposited. Steps are being taken to have Captain Moller remit his collections.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

AUDIT OFFICE, OTTAWA, September 3, 1912.

Re **Dominion Steamers.**

SIR,—I have to draw your attention to the following remarks in reference to Dominion steamers:—

Champlain.—The earnings of this steamer for the month of March amounting to $1,159.66, did not come to account until the 21st of last June and consequently too

late to appear in my report for the last fiscal year. I shall be glad to know why the receipts and returns did not come to hand more promptly.

Earl Grey.—The purser of this steamer in his April report for 1911 takes credit for a militia warrant of $4.50, and in his report for the following March a similar credit is also taken of $1.50. Neither of these amounts appear to have come to account from the Militia Department during the fiscal year and I have to ask if they have since been accounted for?

Minto.—The marine agent at Charlottetown deposited in the Bank of Nova Scotia there, $1,575 on June 12, 1911, but no returns in acquittance of that amount has so far been received. I shall be glad to be furnished with this return with as little delay as possible.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, October 3, 1912.

Re Mariners' Fund.

SIR,—I am returning herewith your applications Nos. 49 and 50 for refund of Mariners Fund. Please enter where and when these amounts were paid.

I would call your attention to the very unsatisfactory manner in which the deposit receipts and returns appertaining to Mariners Fund are forwarded. For the current year only two statements with deposit receipts have been received, the first June 29, and the second September 20, The statement with returns from different ports for April, only reached this office today.

The deposit receipts should be forwarded to the finance regularly each month and the returns for this office for each month should be forwarded during the succeeding month.

Your attention will oblige.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, October 25, 1911.

SIR,—For some years it has been the general practice to have two signatures on letter of credit cheques. In the case of the departments, the letters of credit are issued in favour of the Deputy Minister and the Accountant, with substitute signatures, authorized by Order in Council; in other cases in favour of two persons named by the Department.

My attention has been called to your letters of credit in favour of militia paymasters, under which the cheques issued bear only one signature. It is desirable, for uniformity and safety, that all cheques should bear two signatures, and I have to request that in future applications, you should name some person to countersign the paymasters' cheques, as I presume there is always some person on the paymasters' staff who would be available for that purpose. If it is considered necessary that a cheque, issued by the Deputy Minister, should be countersigned by some other official, it appears to me to be at least equally necessary that a cheque issued by a subordinate official should also bear a second signature.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence. J. FRASER, *A.G.*

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, November 2, 1911.

SIR,—I am in receipt of your communication of the 25th ult. *re* countersigning paymasters' cheques, and in reply I have the honour to state that this matter was fully considered when paymasters were first appointed. As there was only one at each station it was impossible to get two signatures to the cheques unless a non-commissioned officer or a private was authorized to sign—a practice which, I believe, does not exist in any army. To safeguard the public interests all paymasters were guaranteed—to the amount of $20,000 at large stations and $10,000 at small ones, and they are still so guaranteed.

In view of these guarantee bonds it would seem hardly necessary to make any change in present arrangements. In fact such a change could not be made without adding to the staff at certain stations and introducing at others a practice which it is desirable to avoid.

I have the honour to be, sir, your obedient servant,

The Auditor General. EUG. FISET, *D.M.M. & D.*

Re Discount to Stamp Vendors.

SIR,—The discount to stamp vendors in 1910-11 amounted to $63,351.90 and in 1911-12 to $73,435.42.

I enclose statement of the revenue at the city offices (Head Offices) and the discount allowed for years 1910-11 and 1911-12.

I have to ask for the following information in connection with these discounts.

(1) Is the privilege of selling stamps in the several city offices alloted to one person? If so who appoints such person? I have to ask for the names of such persons, and the number of clerks employed by each.

(2) What is the rate of discount allowed at each of these city offices? Are the stamps less discount paid for when received.

(3) What supervision or control does each city postmaster exercise over the stamp vendors? Does he profit in any way through the discount allowed.

I am sir, your obedient servant,

The Deputy Postmaster General. J. FRASER, *A. G.*
